

CARPE BREWERY®

RYE IPA ALE

Rye IPA puts a twist on standard IPA. The addition of rye malt to the grain mix imparts a subtle unique spicy bread note similar to rye bread.

This beer also marks the first non-harvest ale we've brewed with 100% Nebraska grown hops!

The hops for this beer were grown in Plattsmouth, NE by Midwest Hops Growers.

Brady sweet and rye flavors march in unison to lemon-citrus and woody hop bitterness.
