

# CARPE BREWERY® SMaSH ALE

*In much the same way great rock songs only need three chords and the truth, great ales can be better with less. Meet SMaSH ale, a Single Malt and Single Hop beer. All ingredients shine in this pale ale – Vienna malt lays down a bready base we build on with multiple additions of New Zealand grown Pacifica hops. The hops finish out our beer-rock-anthem by bringing peach and tangerine flavors that finish with just a hint of herbal bitterness. We think you'll find this pale ale the perfect song to start the summer.*
