## CASHMERE PALE ALE

*There's a new hop on the block. Grown right here in Nebraska, the Cashmere hop inspired us to brew this single-hop pale ale to showcase it's unique personality.*

*This pale, bright and inviting ale has aromas of hops with subtle strawberry, citrus and melon notes. The heavy, dry-hopping gives the beer a silky smooth mouth feel and heavy lacing on your glass.*

**SPECS:**

5% Alc/Vol
