## WINTER HAZE IPA

*Our Winter Haze IPA is designed to trick your palate into thinking summer has already arrived. On the front end of the beer, heaps of wheat, oats and malted barley provide a soft mouthfeel and haze, giving the beer its name. Generous amounts of Simcoe, Citra and Hop 074 provide juicy stone-fruit flavors and tropical citrus aromas. Winter Haze is the perfect introduction to our next three seasonal hazes, each with its own unique flavor palette.*
