SPRING HAZE IPA

For part 2 of our 4 Hazy IPA offerings, we bring the juicy mouthfeel that makes the style so drinkable. With your nose as your guide, you will find pleasing aromas of fresh cut grapefruit, papaya, mango and citrus and a sip will yield a juicy, barely-bitter tropical taste to match. Spring Haze also marks our first use of Cryo hops to yield maximum flavor and aroma and minimize bitterness. We didn't skimp on the hops!

Skip the flowers this spring...you'll want to save your nose for the Spring Haze.
