WINTER HAZE IPA

2022 has arrived, and with it comes another year of our Haze IPA series. Kicking off with Winter Haze, we take an IPA recipe that's heavy on wheat and oats and add Bravo and Cryo Mosaic hops. We then biotransform and dry hop our fermentation to produce an extra juicy, extra hazy IPA.

You'll find aromas of tangerine rind, pineapple, mango and pine erupting from this beer. Flavors of fresh squeezed juice clinch the finish with minimal bitterness.
