BREWING CO.®

Super
Nova™

CALIFORNIA COMMON

Inspired by the hybrid American beer style spurred by California's gold rush 150 years ago, we brew our Super Nova™ California Common with a modern twist. The backbone of smooth Pilsner malt complements the finish: a candy-citrus and fruit character from our blend of Amarillo and Galaxy hops.

Smooth and light-bodied like all good summer beers, Super Nova™ is a formula for the modern era.

- Smooth and clean
- Subtle fruit character
- Crisp finish
